Singer-songwriter and producer Ritwick Das has released his Sixth Hindi single *Kuch Nahj*, written entirely by Ritwick and coproduced by Das along with producer Prajjawal Pant. *Kuch Nahj* is like aimlessly floating in the emptiness of space. “Kuch Nahj” is like a zero gravity spacewalk. From the very beginning, Ritwick slows down time with this slow-paced intimate Pop R&B love song. This new song will give you a glimpse of what life would be like without the one you love, completely empty!

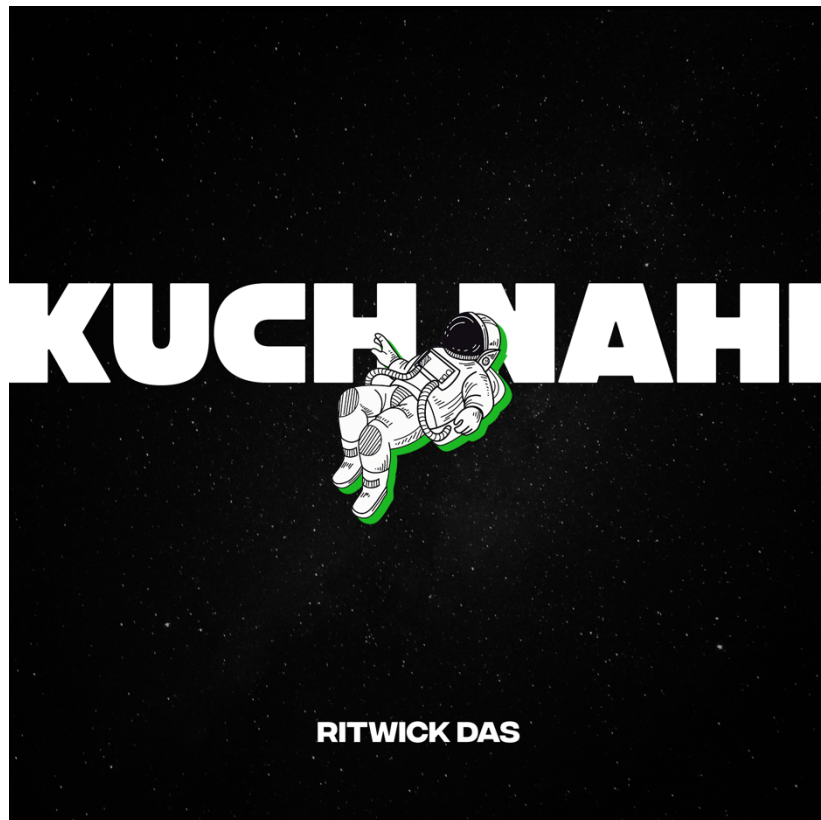

Ritwick is a singer-songwriter and producer from New Delhi, India known for writing heartfelt and relatable songs that resonate with his listeners.
